A List of Grievances against U.S. and its decade of "Freedom and Justice for all"

Definitions: per Webster's Dic.

Freedom: "...a being free, a political Liberty, a being ^{able} to act, use, etc, without hindrance, frankness.

Justice: A being righteous, fair, rightfulness -

the use of authority to uphold what is right.

The administration of law. do Justice, to treat fairly or with due appreciation

personal def. of

(per a citizen of U.S)

My line of thought in this presentation is not steady in flow - due to the multiplicity of grievances and charged emotions that generate in me.

- ① Freedom is but an imaginary and an illusine concept ~~granted to the American people~~ of political life granted the American, sheep like bourgeois masses, by their selfish (capitalistically permissible) sinister and power hungry (whether democratically given to them or not is immaterial) overlords - (who are bribed, paid homage to, and toyed with by ~~also~~ lobbyists) who are in turn treated the same way - by lower power hungry (political + economic), patriotic (understated) individuals (bastards)

Editorial by Geo. Putnam
Fri. June 2 10:55 P.M.

An individual freedom of speech is guaranteed as long as he remains aligned, ~~is~~ and in accord with what his decadent leaders want him to be exp (We. — the leaders — want to be in power and ~~legislate~~ decree as we please and do ^{to} what ever is materially expedient to us and our families — at your cost. Should you dissent, we will find some means to kill you — (~~for~~ economically — socially — ~~pol~~ politically — etc) We will use some of the loopholes — that we have constructed in our legislation, (which by the way — we established with or without your ^{concept} ~~total~~ — even tho we tell you that you live in a democracy where the people decide on all important matters ~~con~~ that concern them, not their appointees in Congress (the No. 1 clique in degeneration and stagnation and decadence of which incidentally we are proud of)

American Capitalism ~~will~~ will fall
all give way ~~to~~ to the worker's dictatorship

A Declaration of Against America (unusually)
when in the course of human events
it has become necessary for me to
declare and seek revenge for all the
inhuman treatment that I have
received by those who committed
against me by the American people.

the manifestation of this Declaration will
be manifested by its purport (a)
as soon as he is able to command
a sum of money (\$2,000) and to
acquire some firearms - the specifications
of which have not been established
yet.

The victims of the party in favor
of this declaration will be or are
now - ~~in~~ the President, Vice,
etc - down the ladder.

The time will be chosen by
author at the convenience of
accused.

the method of assault
is - however the type
weapon used should be
it somehow.

the ~~to~~ author believes that
many in fact multitudes of people
are in harmony with his
thoughts and feelings

the conflict and violence in the
world subsequent to the ~~en~~
enforcement of this decree,
shall not be considered lightly
by the ~~author~~ author of this
memoranda, rather he hopes
that they be the initiatory
military steps to WWII -
the author expresses his
wishes very bluntly that he
wants to be recorded by historians
as the man who triggered off
the last war.

life is ambivalence

THE OPINION

AN INDEPENDENT STUDENT PUBLICATION

FRIDAY, MARCH 30, 1967 NO. 11

CLARIFICATION

The "OPINION" has made no intentional slanderous snipes at any individual involved in student government. If any person has been unjustly accused of any act constituting poor judgement in execution of duties or otherwise, then apologies are herewith being extended to them, and only them. Correct implications are not being withdrawn.

Criticism had been rendered in rather generous amounts in previous literature distributed at the campus. It has been said that these earlier circulars attempted to force ideas on the student body. It should be remembered that it is up to these same students to accept or reject any ideas that are presented to them.

A number of hostile stated charges have been made against some sections at their for making attempts to "take over the government"; they are not true.

Criticism and praise has been and will continue to be rendered by the "OPINION", and no doubt against it, also. This is taken for granted. Your views are welcome.

TO WHOM DO THE CENTER BLEACHERS BELONG?

Seniors are currently discontented with the condition of Senior Privileges.....which are very apparent because of their absence.

If the center section of the bleachers is designated to Seniors, WHY isn't there an all-around enforcement of this favor?

Sort of a farce are the 12th graders falling for when they are asked to be dismissed first at the 12th graders' meeting yet they still followed by a mass of 11th graders.

Seniors would not want to be the only group a day late to be late to the bleachers....

Let's think that the center section is stupid, but what if it has suffered there? There is no choice involved!

Let's face it Seniors. It's there; there is nothing better in view. You can either take it or leave it.

YOU

ASSOCIATE EDITOR OF "BLAZER" WRITES ON LETTERS TO PAPER

Several sources directly involved with the "BLAZER" and in student government have informed the "OPINION" that the editor of page 2 of the "BLAZER" has written a number of letters to the "Letters to the Editor" column of his own paper. This makes us wonder if the "BLAZER" is a sort of fan mail or if this sort of action is considered to be out of journalism by those involved. The person in question, Keith McCorkick, has adequate space in which to expound his views, both in the "BLAZER" and in the relatively unknown "ALTA-DAILY". Let us hope that such dishonest and deceiving methods will hereafter cease. The tactics can be called unethical.

...how the proposed constitution, 50 people would hold semester A.S.B. offices, nearly 3 times as many as now. The substantial increase in offices would encourage candidates who previously did not feel well enough known and would also reduce any one individual's popularity may have effect. It is hoped that by having more candidates running for 50 offices, there would feel a connection with the candidates.

For a person to put his thoughts into words is a difficult task if you were to remember that that person is a troglodyte who is therefore more psychically inclined than his urban contemporary.

America will soon face a downfall so abysmal, that she will never recover from it. This statement is based on several observations and incidents that the writer experienced.

1.
The American politician leads his people through any course that he wants them to - this is possible because the people too lack the initiative, ~~are~~ or are indifferent to the actions of their leaders. Their leaders say: You have the right to speak against your govt, & and support its changes - but remember, - though Democratic means only - if otherwise we will blast the hell out of you - and besides, you wouldn't want to do anything like that, it is stupid, costly and wasteful. Just let us run the country hire our relatives to work for us - and earn fat checks.

NOW! Through the Incredible Power

MENTAL PROJECTION

— You Can "PROJECT" Things Metaphysically Right into Being!

Dear Friend:

Here's news about a revolutionary and potentially earth-shaking PROJECTION mechanism. It's based on a new metaphysical discovery, and is now available in a startling book.

It's true. The famous "20th Century Philosopher," Anthony Norvell, reveals one of the most astounding discoveries ever made: how to use a powerful PROJECTION mechanism to metaphysically transform your thoughts and desires into reality.

Called "MENTAL PROJECTION" this mind mechanism can change your entire life -- from the very first moment you turn it on -- money and power appear metaphysically, as if out of nothing.

The famous Anthony Norvell explains the transmutation techniques you need to work "MENTAL PROJECTION" -- and tells you with complete details:

- * How to tune into the "Music of the Spheres" the wavelength over which all "PROJECTION" takes place.
- * How to "PROJECT" yourself into "The Land of Beginning Again" and wipe out all your past mistakes and failure in a single blow, and start over with a clean slate.
- * How to "PROJECT" yourself through a mirror and come out with such dignity, such regal power no one will dare defy you.
- * How to write a sum of money on a slip of paper and "PROJECT" it into becoming yours.

Now I will give you a clear, scientific demonstration of the natural laws behind "MENTAL PROJECTION."

WHY YOU CAN TRANSMUTE THINGS INTO EXISTENCE!

For over 25 years Anthony Norvell searched the literature of all ages,

space. You start with nothing, and by simply reversing the appropriate natural law, you end up with something -- exactly what you want.

For example, you'll see how to use the following techniques to "PROJECT" meta-physically what you want:

1. How to "PROJECT" a much longer life for yourself -- 100 and over is not impossible -- by increasing your own personal charge of "magnetism."
2. How to "PROJECT" firmer lips, cheeks, smoother skin and a younger look, in general, through the technique "magnetic tensing."
3. How to "PROJECT" contact with the "Higher Mind" and get explicit advice on any problem having to do with family, neighbors, friends or bosses.
4. How to "PROJECT" and shape your future in the areas of finance and prosperity with the "Law of Predominant Impression."
5. How to "PROJECT" yourself a "Hypnotic Eye" which can wither and take over any opponent who dares look at it.
6. How to "PROJECT" an Invisible Golden Line of Power which can be placed in another person's mind.
7. How to "PROJECT" messages through brain contact alone. The other person will never know where the message came from. But will think it's his own idea.

Yes, you'll discover all this and more in Anthony Norvell's epoch-making book. You'll see how it all works by reversing many of the traditional laws of nature. Things that were once impossible are now possible.

travelled to corners of all parts of the earth. And throughout it all he looked for just one thing -- the power to turn thought into reality. Nowhere was the answer to be had. But finally he discovered that with a certain technique he could reverse important key laws of nature.

He discovered that he could make it just as easy to create matter, as it usually is to destroy it. It's easy to start out with something -- say a \$100 bill -- put a match to it and end up with nothing. Now he found out, you can start out with nothing, AND END UP WITH SOMETHING.

He could hardly contain his excitement. He tried it once. It worked. He began telling others about it. It worked for them. He called it "MENTAL PROJECTION" and tried it on thousands of people no different from you.

USED BY THOUSANDS OF PEOPLE

- xx Jane Addams was given 6 months to live because she was chronically wasting away. But by giving away a certain part of herself, she was able to "PROJECT" herself practically a whole new body. She lived to bury four of her doctors.
- xx A woman was 76. She never had a trade or profession but always longed for one. She used The "Invisible Law of Mental Vibration" to "PROJECT" herself a talent. She became a great painter and made \$1 million before she died at over 100.
- xx A young man was caught in a fire. His legs were just about burned away. Doctors feared he would die. He managed to pull through, but without hope of walking again. Yet by contacting the "Cosmic Mind" he was able to "PROJECT" himself a "new" set of legs. A few years later, in the world famous Madison Square Garden, he ran the world's fastest indoor mile.
- xx A man and his wife had little money. But they had their hearts set on owning their own home. They used the technique of "Centro-Dynamics" to "PROJECT" not just any old home, but their dream house. And they got it for what little money they had.
- xx A certain group of people had no future before them. No money. No contacts. No influence. Yet they wanted to be famous. They used "The Magic Circle" technique to "PROJECT" a great talent into their lives. Later, they all became famous movie stars. You'll recognize their names immediately.
- xx A man had no money all his younger life. His father died at a young age. His mother scraped along by selling biscuits to men for lunch. Then he used the Law of Capillary Action to "PROJECT" great wealth into his life. Before he knew it the biscuit business just grew and grew. He became a multi-millionaire.

Yes, "MENTAL PROJECTION" works. All you need do is use the specific techniques, for the specific things you want.

IT WORKS LIKE THIS!

THE FABULOUS CAREER OF ANTHONY NORVELL

For twenty-five years, a bronze plaque on the doors of New York's world-famous Carnegie Hall has commemorated the teachings of Anthony Norvell, one of the great minds of our time.

Over the years, tens of thousands have come to absorb his deep and profound wisdom — a complete and practical system of self-mastery and spiritual power that combines the Science of the West with the Mystic Knowledge of the East.

Norvell's deep thirst for spiritual fulfillment has taken him on travels to the most remote corners of the earth. He spent many years in India, where he studied with a noted guru (Holy Master). In North India, he later met a Tibetan monk from the Great Monastery at Lhasa, who revealed centuries-old secrets to him — the most sacred mysteries of the Orient, revealed in this book.
